Index to Public Utilities Reports

(This section of the magazine, which comprises the decisions, orders, and recommendations of courts and commissions, is to voluminous to be included in this index. These reports are published annually in their entirety, in five bound volumes, together with the Annual Digest; copies may be obtained from the publishers, PUBLIC UTILITIES REPORTS, INC., Munsey Building, Washington, D. C., upon application.)

PUBLIC UTILITIES FORTNIGHTLY

Subject Index

- ACCOUNTING,**
Depreciation by straight-line method in preference to sinking-fund method, 207.
Depreciation problem discussed, 576.
Confusion over original cost and write-offs, 35.
Diverse interpretation of established rules, 754.
- AMERICAN & FOREIGN POWER COMPANY, INC.,**
Analysis, 761.
- AMERICAN GAS & ELECTRIC,**
Analysis, 698.
- APPLIANCES,**
Skimping through on the home appliance front, 780.
WPB curtails electric appliances, 438.
- ASSOCIATED GAS & ELECTRIC,**
System makes big tax saving, 367.
Trustees plan new top company, 167.
- ASSOCIATIONS,**
REA association holds first meeting, 306.
Rural electric co-ops get a trade association, 676.
- AVIATION,**
Postwar planning for all transportation, 282.
- BALTIMORE TRANSIT COMPANY,**
Analysis, 300.
- BLACKOUTS,**
Darkness for victory, 242.
- BONDS,**
See also Securities.
Municipal, for plant construction affected by scarcity of materials for construction, 288.
Value of a revenue bond, 740.
- BROWNOUT,**
Summer will bring the brownout, 701.
- BUREAUCRACY,**
Attacked for using war as excuse for social reforms, 771.
- BUSINESS,**
See also Economics.
Business replies to TNEC Committee, 307.
Industrial embassies in Washington, 663.
- CALIFORNIA,**
What if California should have to ration utilities, 683.
- CANADA,**
Federal and Canadian power arrangements receive criticism, 568.
War-born hydroelectric giant, 552.
- CAPITAL,**
Relation to utility rate of return, 342.
- CAPITALISM,**
Public utilities in free enterprise system, 69.
- CAPITALIZED INVESTMENT,**
Base for rate regulation, 90.
- CHARTS,**
American & Foreign Power Company, Inc. financial data, 762.
Analysis of public utility common stock ratios, 345.
Analysis of revenue dollar, 1942 v. 1939, 501.
Annual depreciation expense by straight-line and 5 per cent sinking-fund methods, 209.
Comparison in price trends during present administration at Washington—average prices of all stocks listed on New York Stock Exchange, 567.
Components of individuals' liquid savings, 433.
Cost of living and price ceilings, 237.
Cumulative depreciation expense—stabilized plant under no growth—survivor property, 218.
Depreciation reserve under straight-line and 5 per cent sinking-fund methods, 211.
Electric operating revenues, revenue deductions, and net revenues, 699.
Electric output and earnings, 368.
Electricity production, 105, 171.
Gas sales—manufactured gas industry, 599.
Gas sales—natural gas industry, 599.
How price levels affect war expenditures, 301.
Index numbers of war activities compared with electric power, 109.
Marketing chart, 176.
Relationship between annual retirements and depreciation charges under straight-line and sinking-fund methods, 215.
Revenue passengers carried on street cars and busses in New Jersey, 205.
Schedule of war costs, 169.
Stock and bond prices, 765.
Survivor curve—distribution poles, in relation to depreciation study, 213.
Utility financing, 103.
- CHICAGO,**
Principal Chicago Transit securities, 39.
- CITIES SERVICE COMPANY,**
Analysis, 562.
- COLOR,**
Discrimination because of race, creed, color, or national origin, 805.
- COLUMBIA GAS & ELECTRIC CORPORATION,**
Analysis, 430.
- COMMISSIONERS,**
Human side of utility commissioner's life, 350.

PUBLIC UTILITIES FORTNIGHTLY INDEX

- COMMISSIONS,**
New York commission reports, 707.
- COMMUNICATIONS,**
See also Telegraph; Telephones.
Communications chief reviews effect of telephone limitation orders, 508.
Plans for consolidation of communication companies, 143.
Radio and the war, 443.
WPB control of communications, 240.
- CONGRESS,**
SEC justifies its appropriation, 378.
Washington utility outlook for 1943, 3.
- CONSOLIDATION AND MERGER,**
Plans for consolidation of communication companies, 143.
- COOPERATIVES,**
See Rural Electrification.
- DEBT,**
Economic regimentation seen as ultimate result of continued deficit spending, 772.
- DEPOSITS,**
Components of individuals' liquid savings, 433.
- DEPRECIATION,**
Problem discussed, 576.
Straight-line method preferred over sinking-fund method, 207.
- DISCRIMINATION,**
Government handouts to publicly owned utility plants, 135.
In employment, 805.
Tax discrimination against private utility customers, 473.
- DISTRICTS,**
Lack of regulation of rates, service, and security issues in Nebraska, 220.
- EARNINGS,**
See also Return.
Interim earnings reports, 766.
What should be done with excess utility earnings, 357.
- ECONOMICS,**
Business replies to TNEC Committee, 307.
Democracy and the TVA, 375.
Economics of war power supply, 370.
National Resources Planning Board report, 434.
Nation's press cool toward NRPB report, 503.
Planning—but for what, 406.
Postwar planning begins at home, 638.
Private initiative termed sound basis for postwar planning, 572.
Regimentation seen as ultimate result of continued deficit spending, 772.
- ELECTION,**
Public power and the war cloak, 82.
- ELECTRIC BOND AND SHARE COMPANY,**
Analysis, 629.
Proxy fight, 172.
- ELECTRICITY,**
Association of REA, 306, 676.
British propose Scotch "TVA," 247.
Brownout to come in summer, 701.
Canada's new war-born hydroelectric giant, 552.
Conflicts in the public power field, 775.
Economics of war-power supply, 370.
Federal and Canadian power arrangements receive criticism, 568.
Federal control over power industry after war, 112.
Federal Power Administrator proposed, 767.
Krug blasts power shortage myth, 310.
Labor problems, 610.
Operating revenues, revenue deductions, and net revenues, 699.
Output and earnings, 368.
Planning—but for what, 406.
Postwar mass employment in public works, 795.
Power expansion report, 182.
Power industry stands on its production record, 704.
Power over the war hump, 637.
Power records in World Wars I and II, 107.
Production chart, 105.
Report to council of operating companies, 510.
Small plants join war effort, 245.
Socialization of utilities, 618.
Southwest power pool investigation, 116.
Utilities and the cost of living, 548.
WPB curtails appliances, 438.
- EMINENT DOMAIN,**
Federal War Powers Act and the utilities, 414.
- EMPLOYEES,**
See Labor.
- EMPLOYMENT,**
Public utilities in free enterprise system, 69.
- ENGINEERS,**
Mechanical engineers consider emergency problems, 48.
- EUROPE,**
Ownership of utilities in, 337.
Public utilities policing the peace, 333.
- EVIDENCE,**
Seizure of private papers by government agents, 729.
- EXCESS PROFITS,**
What should be done with excess utility earnings, 357.
- EXPENSES,**
War taxes as a "cost," 631.

PUBLIC UTILITIES FORTNIGHTLY

- FAIR VALUE,**
See also Valuation.
Base for rate regulation, 90.
Present fair value basis upheld, 432.
- FEDERAL COMMUNICATIONS COMMISSION,**
Congressional appropriations, 293.
Congressional investigation of, 164, 229, 361, 625, 691.
Legislation to reorganize, 757.
Seizure of private papers by government agents, 729.
- FINANCIAL STATISTICS,**
Publication by SEC, 40.
- FINANCING,**
1942 utility financing lowest since 1934, 103.
- FREE ENTERPRISE,**
Public utilities in free enterprise system, 69.
- GAS,**
Utility bans telephone run-around, 769.
We'll always need gas, 597.
- GOVERNMENT,**
Manufacturers discuss programs for war and peace, 42.
OPA's utility rate control, 486.
- GREAT BRITAIN,**
British propose Scotch "TVA," 247.
Railroad men rank high in wartime, 114.
- HOLDING COMPANIES,**
American & Foreign Power Company, Inc. analysis, 761.
American Gas & Electric analysis, 698.
Bill introduced to suspend § 11 of Holding Company Act, 299.
Cities Service Company analysis, 562.
Columbia Gas & Electric Corporation analysis, 430.
Death sentence under war conditions, 23.
Electric Bond and Share Company analysis, 629.
Federal court upholds "death sentence," 167.
Financial statistics for electric and gas subsidiaries of holding companies, 40.
Granddaddy of all utility holding companies, 479.
Integration as handmaiden of public ownership, 439.
Investors' losses through § 11 of the Holding Company Act, 297.
Middle West Corporation analysis, 365.
New dissolution plans, 101.
North American Company analysis, 497.
Opportunities presented by reorganization of nation-wide utility systems under Holding Company Act, 156.
SEC justifies its appropriation, 378.
SEC limited by Supreme Court in Federal Water Case, 236.
Standard Gas & Electric recapitalization plan, 498.
Test of SEC policy on tenders, 428.
Trustees plan new top company, 167.
- HUNTINGTON,**
Battle for municipal ownership, 275.
- INDUSTRIES,**
Manufacturers discuss programs for war and peace, 42.
- INFLATION,**
Utility rate increases not inflationary, 101.
- INJURIES,**
Wartime safety operation of public utilities, 152.
- INNS,**
Original cost theory applied to, 443.
